

Reduce the cost of card processing with Key Merchant Services

As an ARA member, when you begin processing with KeyBank, you'll benefit from:

- Cost savings driven by both better merchant pricing and Level 2 and Level 3 processing optimization
- Quicker cash application with next-day settlement of funds
- Consolidated and consistent service with one provider
- A \$500 statement credit¹
- Reduced cost of card acceptance by saving up to 30% on card processing²

- Nurseries
- Seed companies

¹ \$500 offer is applied as a statement credit to your new Merchant Services account 60 days after account activation. Limit one \$500 offer per new merchant relationship. Activation is defined as processing and settling \$20.01 to your primary merchant DDA. Activation starts the day of the first KeyBank Merchant Services transaction. If no processing fees or conversion costs are incurred, credit will remain and be applied after initial fees or conversion costs are incurred. This offer is nontransferable and not valid with any other offers. The terms of this offer are subject to change or cancellation at any time, for any reason. Excludes Clover Web & Phone Payments & Clover Go.

² Actual savings will vary based on average transaction size, transaction volume, and types of cards accepted. Banking products and services are provided by KeyBank National Association. All credit, loans, lines of credit and merchant services are subject to credit approval, terms of service and any applicable collateral requirements. Key.com is a federally registered service mark of KeyCorp.
